

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates.

Diversity is the strength of our nation. The music of our great country is going down the tubes. One of the greatest measures of a great society is it's arts and ideas. Please do not reverse everything that we have fought for and lived for in this nation.
